

# The Rotary Club of Kittery

"PUT LIFE INTO ROTARY - YOUR LIFE"

October 14, 1988

Russ called the meeting to order at 7:30 a.m. Gary introduced the visiting Rotarians: Bill Pilcher, of the South Berwick Club; Ray Ross, Lynn Roberdeaux and Ken Lamb, all of the Portsmouth Club. Joyce was the lucky winner of the 50/50 raffle. Ray Roy told the club of his recent birthday and was fined for the same. We were reminded that next week is our Club's first birthday - a special breakfast is planned. We were again reminded that DUES ARE DUE - if you haven't paid up yet, please see Harrison as soon as possible.

November is "Bring a Can of Food Month". Bring food goods to EACH meeting for our Thanksgiving and Christmas Baskets.

October is Vocational Service Month. What is vocational service? Vocational service, the second of the four Avenues of Service is an obligation and opportunity derived from holding a classification in a Rotary Club. Each member has the personal responsibility of representing his vocation to his fellow members and to exemplify the spirit of Rotary to others, particularly those associated with him in the practice of his business or profession.

John Kennedy introduced our guest speaker, Ray Ross, of Eliot who was born in Calais, Maine; attended college at Aurora University in Aurora, Illinois; attended the University of Oklahoma for his graduate work; retired in 1981 as Director of Civilian Personnel - Pease Airforce Base; has been a member of the Maine Board of Arbitration and Conciliation from January 1982; past President of the Portsmouth Club and a Paul Harris fellow since 1981.

The meeting adjourned at 8:30 a.m.
