

The Rotary Club of Kittery

"PUT LIFE INTO ROTARY - YOUR LIFE"

October 25, 1988

Russ called the meeting to order at 7:30 am. The visiting Rotarians were: Matt Klein, of the Portsmouth Club; Sue Raeside (Guest Speaker), of the South Berwick Club; Norm Marineau; Larry Bates, Bill Pilcher, Gary Golding, all of the South Berwick Club; John Flintz, of the York Club and Heinz Sauk-Schubert and Russ Grazier, both of the Portsmouth Club.

Our club has "no sympathy" and fined two guest speakers for being late. It should be noted that all fine money will be used for our scholarship programs. October and November raffle money will be used for our Holiday Basket Project. The month of November is "Bring a Can of Food Month" for our Holiday Baskets.

A committee is being formed for our wreath sale to occur the weekend of Thanksgiving and the weekend after. Everyone is expected to work and help sell. Committee: Chris Alderson, Pat Rossitier, Dave Hager and Pat Theriault. A wreath decorating committee will be organized to work in Russ's basement. Be prepared to sign up next week.

Susan Raeside of the Eliot Adult Education Office spoke to us on literacy in the workplace. The statistics show that 75% of us will be working in the year 2000, however only 30% of the jobs available today will be available in the year 2000. As a business people, we can work with the schools to employ youth and see that they are educated to fit our employment needs. We can support the Jobs Training Act and the Adult Education Programs. Sue made us take a look at our existing work force and encouraged us to work towards improvement.

The meeting adjourned at 8:30 a.m.
