

# The Rotary Club of Kittery

PUT LIFE INTO ROTARY - YOUR LIFE!

November 22, 1988

Russ called the meeting to order at 7:30 a.m. After song and prayer, we sat down to breakfast. Gary introduced the visiting Rotarians: Charles Vaughn, Sandy Domina, Leonard Seagren and Steve Parkinson, all of the Portsmouth Club; Peter Drivas, of the South Portland Club; and Bob Brown of the Pittsford, NY Club. Bob advised us that the Pittsford Club was chartered in 1941 and currently has a membership of 43 persons.

Denise and Jim were fined a \$1.00 for dontating chili and spam respectively for our Holiday Baskets. I guess Gary has never had chili with spam stuffing. You should try it Gary, it's really G - O - O - D !

We had as a guest today, Dan Corcoran, the new owner of Jackson's Hardware. Jim Wilson spoke on Club Service. We all confirmed our shifts for selling wreaths at the Kittery Trading Post. The date of December 7th has been set for the Pease Airforce Base Flight for members who signed up to go on a refueling mission.

Joyce introduced her guest, Walter Donnina, who spoke on the Portsmouth Naval Prison. The prison was built in 1908 and contained 420 cells. Mr. Donnina told us many stories about the prison during his assignment there, including successful escapes; distribution of illegal driver's licenses and honorable discharge certificates; and the cultivation of marijuana plants.

Russ adjourned the meeting at 8:30 a.m.

THOUGHT FOR THE DAY: "When regard for truth has been broken down or even slightly weakened, all things will remain doubtful."
