

The Rotary Club of Kittery

PUT LIFE INTO ROTARY - YOUR LIFE!

December 6, 1988

Russ called the meeting to order at 7:30 a.m. In Gary's absence, Denise introduced the visiting Rotarians: Leonard Seagren, Phil Weeks, Sandy Domina, Warren Clark, Dave Holden, Walter Liff, Ken Lamb, Eileen Foley and Frank Fate, all of the Portsmouth Club; Greg Villa, Steve Freeman and Elmer DeJong, all of the York Club.

John Robbins was the lucky winner of the 50/50 raffle. Russ announced that the Board of Directors would meet on Monday, December 11th at 7:30 a.m. The profit from the sale of Christmas Wreaths was \$1,988.25! A job well done! Nomination of election of officers will be on December 20th. December 17th is the date set for the Children's Xmas Party in Eliot where gifts for needy children will be distributed. Under "Community Service", a debate of the Four Way Test has been scheduled for February 12th between Eliot/Kittery High School Students.

Ed Strong spoke on the new OUI Law, and, also, the current shoplifting problems in our area. Ed advised us that approximately 3 to 4 weeks ago four youths from New York City were arrested in Kittery for shoplifting. Many local area stores have experienced an increase in shoplifting. Ed told the group that the Kittery Police Department Detectives would be happy to go to your place of business and speak to employees on what to watch out for, etc. With respect to the new OUI law the legal limit has gone from .10 to .08. There are many severe penalties that go along with the new law.

Russ adjourned the meeting at 8:40 a.m.

THOUGHT FOR THE DAY: "It is not the man who has too little who is poor, but the one who craves more."
