SUBSTITUE BULLETIN
APRIL 12, 2005**

Sorry to say, my computer at home is very ill. I am grabbing some time at work to do up this pitiful version of the bulletin...hope to do better soon. Your prayers for my iMac will be greatly appreciated!

For the meeting on April 5:

Guests: Robert Gagne, So. Berwick Club; Jonathan Carter, speaker; Bruce Williams

Happy Dollars:

Linda is happy to have Spring & Daylight Savings Time upon us. Russ reports his son sprained his ankle, no break & that he has hurt his own back while playing basketball. Bob is glad we are so well protected by physically-fit policemen. Frank went to see old friends of ours, Phil & Carol MacCarthy, both are doing well. Bob G. was glad to be with us. Lezlye found that Jeff P. does do full-service funerals when she spotted him refilling the potato chip bowl at a social time (after the funeral) Julie's grandparents have gone to FL for a while. Marie reported that on their return from NY, they got a rock through the windshield. Bruce, George & Pam paid for KCAP. Dave & Jeff love the weather! Ellen's grandmother is now 106—Hooray!! Dave A enjoyed a coral festival last Sun. Sue was happy to see Bruce with no jokes info in hand. Dee thought Dave A said a squirrel festival!

50/50: Pam drew the 3 of Clubs & lost \$206
Calendar winner: Heather Gooch sold by Dave G

Pres. Jeff read a thank you from Mitchell School for the books we have donated. The school would like us to run the Cake Walk again, though we need not provide the cakes this time. Dave G. then introduced Jon Carter, our new Kittery Town Manager who spoke a bit about himself then about current town affairs & his plans for us.
