

The Rotary Club of Kittery

PUT LIFE INTO ROTARY - YOUR LIFE

May 23, 1989

Russ called the meeting to order at 7:30 a.m. After song and prayer, Gary introduced the visiting Rotarians; Steve Gray from Laconia, Matt Murtha from Ogunquit, Chic Chikalla from Durham, Diane Wanager, Paul Klebaur, and Dick Bicknell from South Berwick, and Charlie Vaughn, Del Record, Phil Cava, Dan Hoefle, Dan Durgin and Matt Klein of Portsmouth.

Gary was especially "good" at extracting fines from the group. Between newsphotos, missing lapel pins and latecomers, I think everyone was able feed the pot. Dave announced goodnews/badnews and Gary accepted, then returned his dollar.

Colin introduced the Guest Speaker, Dr. Timothy Kingsbury. Dr. Kingsbury is an Osteopathic Physician practicing in Kittery who has assumed the practice of the late Dr. Blanchard Robbins of Kittery. Dr. Kingsbury clearly explained the historical background of Osteopathy, and it's emphasis on the body's powerful natural abilities to heal itself.

Dick Donhauser realised he might be the 50/50 winner after nobody else claimed the prize.

Russ adjourned the meeting at 8:25 a.m.
