

The Rotary Club of Kittery

"PUT LIFE INTO ROTARY - YOUR LIFE"

August 16, 1988

Gary called the meeting to order in Russ' absence. Joyce led us in song. Gary introduced the visiting Rotarians - Len Bucklin of the Ogunquit Club and Dan Durgin, Fred Pettigrew and Lincoln Redshaw, all of the Portsmouth Club.

Marie Williams was the lucky winner of the 50/50 Raffle. Harrison announced that three members had not yet paid their dues.

As today was a Business Meeting there was alot of discussion on upcoming events, socials, fund raising matters, etc.

Joyce advised us that the Board of Directors had voted to donate \$100 to the Portsmouth Visiting Nurse Association; \$300 will be set aside for our Christmas Project and a cabinet is to be donated to Kid's Care. Also that she will be approaching members for future speakers and greeters.

As October is Vocational Awareness Month, members should see Roy on any proposed speakers in this regard.

The Fund Raising Committee will be meeting to set up dates, times and places for our Lobster Raffle.

With respect to New Business: 10/1 - 10/9 is the time for Kittery Coastal Clean Up - perhaps our club can help in some way; 10/17 is the Kittery Rotary Club's first BIRTHDAY. Joyce, Chris and Denise will be planning the party; 12/3 or 4th is the time set for the Christmas Parade and Tree Lighting - perhaps we can help in some way. All members signed up for the various committees.

Gary adjourned the meeting.
