Note: The South Berwick Club will begin meeting for breakfast at 7:15 am on September 10th. Next weeks meeting will be all business; no guests please since we will be discussing the one year term for directos. This will be followed by a vote.

Dan Thornhill, Carol Grover, Fred McCain, and Marlene Young had their picture taken for the PENNIES FOR POLIO contributions this morning.

Our guest speaker today was Harold Merry and guest of Carol Grover. Mr. Merry was formerly an owner of a wallpaper business in New York. He now resides in Eliot. Mr. Merry collects books and autographs. During his "short" and informative talk he spoke of a letter from Robert Burns which he had purchased from a person in Wiscasset, Maine and sold it at a convention in New York reaping a \$1500. profit. Also mentioned during his talk were letters from Grover Cleveland, Abraham Lincoln, Charles Dickens and photographs of Mark Twain, Richard Nixon, and Gerald Ford. The anecdotal remarks made by Mr. Merry kept the entire membership entertained. Meeting adjourned at 8:30 am.
