

Notes of 8/29/89 Meeting

With Marie at the helm, our meeting got two starts.....sure Marie, blame it on Dave H. Carrying on the tradition, we officially started with the salute to the flag, song and prayer.

Dave Avery shared some good news that Ray Roy found a lost boy in Eliot Woods...(where's Ray?). Walt has some Good/Bad news...His son is returning from Ohio-but he's taking back the house that Walt has been restoring.

It seemed as if our visiting Rotarians outnumbered the members at the meeting! Today's visitors were: Bill Pilchner and Tom Harmon of South Berwick, Peter Drivas from South Portland, and Don McKenzie, John Peterman, Luis Melcher, Holly Lasher, Mike Asslen, Henry Mixter, Helen Steele, Eileen Foley, Ski Wisinski, Wyman Boynton, Mike Haut, Dick Kaiser and Bob Fields from Portsmouth.

Remember to sell your Lobster Raffle Tickets. The drawing is September 30...Time is running out.

Today's Speaker was Julie Webb from the Maine Chapter of the Dream Factory. The Dream Factory is made up of Non-Profit chapters located in the U.S. and abroad. The organization is dedicated to fulfilling the dreams and wishes of seriously ill children, usually between the ages of 3 and 13. Dreams range from a trip to Disneyworld to a trip to Washington to a request of a photograph of a celebrity. The Dream Factory will grant the wish of those selected through the screening process regardless of race, religion, nationality, or financial status. The Dream Factory consults the child's physician to ensure the appropriateness of the dream to be granted. The purpose of this organization is simple.....to put a smile on the face of a child. They also hope to promote a better family atmosphere during a time of great suffering.

The Maine Chapter Presently has 8 members. Volunteers may contact: The Dream Factory, P.O. Box 653, Cape Neddick, Me., 03902 or call 363-6404. A bicycle race is planned for October to raise funds for the Maine Chapter. Sponsors should contact the Dream Factory.

THE NFW NEWSLETTER IS NOW BEING PRINTED.
