Dear Fellow Rotarians,

As you all know, in November our club is expecting a new baby Rotarian, provided by our President, Linda Reichler. We need to have a party, and in the spirit of Rotary we want to have the party help those who need our help.

The party will be a SURPRISE and will take place at our October 10 meeting. We would like to ask you to bring a small gift, such as powder, lotion or some other baby supply. We will donate these gifts to New Generation of Greenland, NH. We will also be taking up a collection to buy Linda a much needed car seat. Please give your contributions to Lezlye Shea, Sue Czarnionka or Lee Englund by next Tuesday, October 3, 1995.

Do not mention the party to Linda; we want it to be a complete surprise. It should be lots of fun, complete with a skit in which Dave Page will be at his finest.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lee".
