

The Rotary Club of Kittery

"PUT LIFE INTO ROTARY - YOUR LIFE"

September 6, 1988

Russ called the "Fall Edition" of the Kittery Rotary Club to order at 7:30 a.m.

In Gary's absence, Raymah introduced the visiting Rotarians: Harold Eames, of the Hampton Club; Bill Pilcher and Tom Barr, of the South Berwick Club; Bob Field, Louis Geurgopolous, Alfonso Cabrera, Ken Lamb and Russ Grazier, all of the Portsmouth Club. We also had the pleasure of meeting Harold E. Brown of the Hendersonville, North Carolina Club. Harold will be forwarding to us a banner from his club to add to our collection.

Russ read to us a letter from Joan Nichol, President of the Portsmouth Visiting Nurse Association, thanking us for our donation in the amount of \$100.00.

As the drawing of the Lobster Raffle is approaching, we must get the tickets sold and back to Gary.

Marie introduced her guest and husband, Bruce. Congratulations and best wishes to them both on the recent celebration of their 25th Wedding Anniversary.

Chris introduced our speaker, Colin Cassise, of Dover, NH who owns and operates Acupuncture Associates, Shapleigh Road, Kittery. Colin educated us on the history of acupuncture including the method and manner of treatment for some of the most common ailments and addictions of his patients.

Russ adjourned the meeting at 8:30 a.m.
