Whose broad stripes and bright stars, thro' the perilous fight, O'er the ramparts we watch'd, were so gallantly streaming? And the rocket's red glare, the bombs bursting in air, Gave proof thro' the night that our flag was still there. Oh say, does that Star-spangled Banner yet wave O'er the land of the free and the home of the brave?</p> <p style="text-align: center;"><b>O CANADA!</b></p> <p>O Canada! Our home, and native land, True patriot love in all thy sons command. With glowing hearts we see thee rise, The True North strong and free; And stand on guard, O Canada We stand on guard for thee. CHORUS O Canada, glorious and free! We stand on guard, we stand on guard for thee. O Canada, we stand on guard for thee.</p> <p style="text-align: center;"><i>Rotary Club of Kittery will meet Tuesday mornings 7:15 coffee 7:30 meeting Valle's Restaurant</i></p>

<p style="text-align: center;"><b>HISTORY</b></p> <p>The combined efforts, interest, and dedication of many people helped bring this new club into being.</p> <p>The genesis of our club began during District Governor Gifos term, 1985-86. It was then the possibility of Kittery club was seriously considered. Bud Watt and Marty Ulan, special representatives of the District Governor, discussed this possibility and worked to find potential Rotarians with the time and inclination to begin organization work.</p> <p>During a meeting with Joe Hahn, District Governor 1986-87, Joe mentioned that an active Rotarian from Rockland, Pat Donahue, was moving to Kittery as Superintendent of Schools. In the fall of 1986, Marty Ulan and Pat Donahue met and organizational efforts were initiated. Marty Ulan approached the Directors of the York Club to act as a sponsoring club.</p> <p>Things moved slowly until Bud Watt referred Dave Hager to Marty Ulan. A list of potential members was developed and the first meeting of Marty Ulan, Pat Donahue, Dave Hager and Gary Adams was held April 24, 1987 at Valle's Restaurant. When Russ McMullen-Past President 1978-79 of the South Berwick club-joined, weekly group meetings were started.</p> <p>It was Gary Adams' suggestion that we consider women members. The York Club supported the decision and eligible women were recruited. President John Flentje of the York Club appointed an extension committee. Jeff Clark, Past President of York, 1986-87, was chairman of the committee and the Kittery Club was started on its way.</p> <p>In a letter to Bill Egli, (in charge of Rotary expansion in Chicago) Marty Ulan reported that the club would soon become eligible for a charter.</p> <p>Our charter, with 28 Charter Members listed, was finalized and submitted on September 14, 1987 for approval. The charter draft reflected the strength of our conviction to allow both businessmen and businesswomen to be of service to the community by being members.</p> <p>Tonight we celebrate the official birthday of the Rotary Club of Kittery.</p>	<p style="text-align: center;"><b>OBJECT OF ROTARY</b></p> <p>The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:</p> <p><b>FIRST:</b> The development of acquaintance as an opportunity for service;</p> <p><b>SECOND:</b> High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;</p> <p><b>THIRD:</b> The application of the ideal of service by every Rotarian to his personal, business and community life.</p> <p><b>FOURTH:</b> The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.</p> <p style="text-align: center;"><i>"Service Above Self"</i></p> <p style="text-align: center;"><b>FOUR WAY TEST</b></p> <ol style="list-style-type: none"> <li>1. Is it the truth?</li> <li>2. Is it fair to all concerned?</li> <li>3. Will it build good will and better friendship?</li> <li>4. Will it be beneficial to all concerned?</li> </ol>
