Service Above Self

1 Nov 2012

Dear Pat and Kittery Rotarians,
Congratulations on your club's milestone of 25 years of service to your community and internationally. This is certainly a time to reflect on what Rotary has meant to Kittery - I know you have been a big supporter of literacy projects, both through the dictionary project and by supporting local libraries. I'm sure there are many more!

As you look back on your accomplishments and share in the fellowship, it is also an opportunity to look to the future. I am certain that Kittery Rotarians will continue to be a strong, active force for good. Congratulations! Best wishes. Thank you for what you do for and through Rotary - it makes a difference!
