October 15 - 2012

Dear President Patricia Halmes

Your cordial invitation to attend your 25th anniversary celebration of the Kittery Rotary Club has awaken in me a very nice souvenir. It was the day that I gave your club his chart from Rotary International. The President of the club than was Rotarian Russell McMillen. During these 25 years a Rotarian by the name of Mrs Mary William has been DG for 2 years very unusual. I feel very sorry that I cannot be at your nice celebration. My wife is Alzheimer and take good care of <sup>her</sup> since 2004. Recently at her anniversary day the 2nd of September she felt and she is presently in a wheel chair, as for me I am happy to be in a good shape yet. I am in my 47th year in Rotary perfect attendance. I am a member of the Rotary Club of Cap de la Madeleine, Dist 7790. I am now 92 years and will be 93 in 2 months. I am wishing you and all the good members of your club a very nice celebration, and be sure you will be in my mind.
